Max. 30 mins free of charge kick off meeting

Service 1 - AI/ML - AI Powered Chatbots in partnership with LivePerson US :

- Our AI-powered conversational platform makes it easy for consumers to buy products and get answers to questions in messaging channels they already use every day
- Engage your consumers where they already are ; Our platform makes it easy for businesses to sell products and answer questions in the world's most popular **messaging channels**
- **AI-powered chatbots** ; Automate up to 70% of messaging conversations on your website, SMS, Facebook Messenger, Apple Business Chat, WhatsApp and more. We have a complete solution to create, manage, and optimize bots for businesses of all sizes – see the next slide
- Turn phone calls into messaging conversations with **Call-to-Message** ; Instead of missing calls or making your consumers wait on hold, give them the option to initiate a messaging conversation when they call you. This makes consumers happier, increases your sales and reduces costs
- Packages: Basic Package, Premium Package, Elite Package – description and pricing on demand

Service 2 – Software Robots in partnership with Another Monday Germany:

- Implementing RPA robots
- Account Management
- Project Management
- 1st level of technical support
- 2nd level of technical support by the global partner

Service 3 - CRM/BI /ERP/WEB (Customer Relationship Management and BI Solutions and Services)

- CRM solutions which are GDPR compliant
- CRM systems are implemented based on Sales Strategy
- AI Chatbots from HubSpot CRM system Integration with WORDPRESS as the largest Web Design Platform
- BI solutions and systems based on KPIs and Business Strategy
